Dear Residents,

I want to sincerely thank each of you who supported me throughout the election campaign. I am deeply grateful for the support, trust, encouragement, and kindness you showed me.

Campaigns are never about one person alone. They are built on conversations at doorsteps, messages of support and residents who care deeply about the future of our community. I was humbled by the many people who opened their doors, shared their concerns, and placed their confidence in me.

To everyone who voted, volunteered, displayed a poster, encouraged others, or simply wished me well - thank you. Your support meant more than words can express.

Residents deserve strong representation, and I hope the important issues raised during this campaign continue to receive the attention they deserve.

It has been a privilege to serve so many inspiring people across our community over the years.

With sincere gratitude,

Bunty Waters

Bar Hill Church Knit &Natter Group

Thursday 1.30 until 3.00p.m. in The Octagon.

We are a well- established and a popular group who are keen and committed to knitting items that help others in need, and meet to knit and make new friends, produce some fantastic baby clothes, blankets and knitted toys etc., and enjoy tea and cakes together, and sometimes just chat and share stories.

As part of our programme we encourage the ladies to take part in some simple helpful and fun exercises designed to improve general welfare and to keep their fingers and joints moving well, and boost their physical and mental health.

Our present knitting programme is to produce baby clothes and blankets for local new young mums with limited resources, and also blankets for people in the village who may have health or welfare problems and need a helping hand or a kind gesture. We try to respond to any group or individual who needs this help.

New members are always very welcome and find it helps to have a regular group to attend weekly and are always happy to find new friends to chat to and share their “ups and downs” their interests and achievements.

All the wool and patterns are available for the ladies to use. So there are no financial obligations. However contributions of wool from friends and neighbours are very welcome!

During the year we have extra events like craft sessions, tea parties and some outings.

Want to know more? Drop in and see what we are doing any Thursday afternoon or for more information give me a ring. Sue Kenchington **01954 780260**. Hope to meet you soon!

The deadline for submissions is the second Thursday of the month

Out and About - Godmanchester

By Stella Joyner

Godmanchester is a delightful place to visit. The village has over 100 listed buildings, the largest of which is a Tudor farmhouse dating back to 1600 and restored in 1995.

The Chinese Bridge (pictured below) has been a Godmanchester landmark since 1827. It has been rebuilt twice — in the 1860s and again in 1960.

Do take a walk over the bridge to Portholme Meadow, which in 1910 was used to build early aircraft. Air displays were held here for the public to enjoy these new flying machines, including James Radley flying his monoplane around the meadow — 16 miles in 23 minutes.

The House of Spies, a farmhouse in Godmanchester, served as a secret SOE (Special Operations Executive) training and transport point from the summer of 1942. Agents were housed, trained and prepared here before going on to RAF Tempsford for clandestine missions into occupied Europe.

You can take a heritage walk around the village, which takes between one and two hours.

Baptisms, Weddings and Funerals at Bar Hill Church

The Church of England parish system means that everyone who lives in England has the right to be baptised (Christened), married or buried (funeral service) in their local parish church. Here in Bar Hill, we don't have an Anglican (Church of England) church, but Bar Hill Ecumenical Church operates in the same way.

We might not be the oldest or prettiest church around, but are warm and friendly with incredibly flexible space- so you can have as many or few people as you like, arrange the chairs as you would wish and host a buffet afterwards in the Worship Hall or Octagon.

Once a year we do something very special and open up the Baptistry so that older children or adults who wish to recognise their Christian faith, can have a full immersion baptism if they wish. This takes place during a Sunday morning service around Easter time.

There are standard costs for a Church of England wedding or funeral, but baptisms are free.

We don't have a graveyard (so no-one can be buried in Bar Hill), but we do have the beautiful Memorial Garden where a plaque for a loved one can be placed (contact Chris on c.e.stanndard1@gmail.com).

Bar Hill Cricket Club

After last season's title-winning exploits, Bar Hill made a winning start to life at the higher level as they claimed victory in their first two matches in CCA Junior League, Division 3W.

The first match was at home to Steeple Morden and, unusually, meant an April start. Barry Driver took three wickets and Febin Jamal two as Steeple Morden totalled 191 for 7 in their 40 overs. In reply, opener Jim Neal cracked 73 and several others chipped in, but a late collapse meant Bar Hill had to edge victory with just one wicket and nine balls to spare, the score 192 for 9.

Away to Over & Willingham, Phil Orvis and Jeemon Vazhappily took three wickets each and Barry another two as the hosts made 218 for 8. Jim was in great form again, this time hitting a personal best of 80. Sujith Kidnagoor added 38 and Bar Hill reached their target for the loss of four wickets.

The third match was another thriller but this time Bar Hill were on the wrong end of the result. Jeemon's 62 not out (in a ninth wicket stand of 63 with Seth Coode) and 43 from captain Jacob Marshall-Grint led Bar Hill to 205 for 8 in their 40 overs. In reply, Needingworth's opener hit an unbeaten 118 but wickets fell at the other end and the visitors reached 206 for 9 off the last ball of the match. There were three wickets for Phil and Jacob.

Training sessions will continue to be held from 6pm on Wednesdays throughout the season (weather permitting) - new players welcome.

Throughout May, the children at Bar Hill Preschool have been observing the lifecycles of butterflies and frogs. They have been captivated at each stage and were especially excited when five butterflies finally emerged from their cocoons.

Our older children have now received their primary school places and are looking forward to their upcoming transition visits as they begin to get to know their new settings.

Thank you to everyone who supported our cake and ice-cream stall. We hope you enjoyed your treats. We will be offering further opportunities to purchase cakes and ice-creams in June and July. Please keep an eye on our windows and our Facebook page for future dates.

The children have enjoyed re-enacting the ice-cream stall in our role-play area. They have also been busy in the garden planting potatoes, radishes, cress and lettuce, and are taking great care of them as they grow.

We will be running a children's tombola stall at the village fete. If you have any suitable prizes you would be happy to donate, please drop them into the setting or contact us to arrange a convenient collection time.

We are now taking bookings for September 2026. We are open from 8.30am–3.00pm during term time for children from the term after they turn two years old. We accept funded places and tax-free childcare.

Would You Like To Volunteer?

Rosemary Hall has been volunteering for over 40 years for Arthur Rank Hospice Charity! She said: "After my shift I feel glad, happy that I've been able to speak to somebody in the Bistro for five minutes or so. It makes you feel good - it's better than sitting at home watching TV. People can't always give money but we can give our time." The Charity has a range of volunteer roles. To find out more please visit arhc.org.uk/volunteer or call **01223 675872**.

Helping Hedgehogs in June

June is a crucial month for native hedgehogs. Adults are foraging, mating season is ongoing, and the first hoglets are beginning to appear.

Hedgehogs are in serious decline - around 95% of the population has been lost in the last 30 years, largely due to human impact. Small changes in our gardens can make a real difference.

What Hedgehogs Are Doing in June

- Feeding at night to regain condition after winter
- Mating (loud snuffling and circling at night)
- First hoglets being born, hidden in nests

How You Can Help

- **Food and water:** meaty cat or dog food and a shallow dish of fresh water
- **Never give milk or bread:** hedgehogs are lactose intolerant and bread has little nutritional value
- **Create access:** a 13cm x 13cm gap in fences lets hedgehogs roam
- Check before strimming or mowing: nests can hide in long grass
- **Avoid pesticides and slug pellets,** which poison the insects hedgehogs rely on

Garden Tips That Really Matter

Let part of your garden grow wild, add log or leaf piles for shelter, install a hedgehog house in a quiet shaded spot, and provide a safe shallow water source.

When To Seek Help

Hedgehogs are nocturnal, so seeing one out in the day is often a warning sign. Seek advice if you see a hedgehog out during daylight (especially small ones), an injured or lethargic animal, or very small hoglets alone.

Exception: a mother may briefly appear in daylight while rebuilding a disturbed nest, usually carrying grass or leaves. If she seems active and purposeful, leave her be.

If you are concerned, please get in touch: **Liz Dams**, Trustee, Shepreth Wildlife Conservation Charity - 07912 988898 **Shepreth Hedgehog Hospital** - 07947 361187

Wildlife Gardening in June

June is one of the most important months for garden wildlife. Flowers are in bloom, pollinators are active, and many species are raising young.

No Mow May allows wildflowers to feed bees and pollinators - but what happens *after* May matters just as much. If lawns are cut back in June, just as clover, dandelions and buttercups peak, we remove a vital food source at the worst possible moment.

A Better Approach

- Leave areas uncut through summer where possible, ideally into August or September
- Mix habitats: short grass paths alongside longer, wilder patches
- Cut in stages so wildlife always has cover and food
- Remove cuttings where you can, to help wildflowers establish

A neat lawn and wildlife gardening aren't mutually exclusive - keep some areas tidy, let others grow, and add native flowers, log piles or hedgerows where possible.

Our gardens form a vital network of habitats. Thoughtful choices about when and how we cut grass support pollinators throughout the summer, not just for a month.

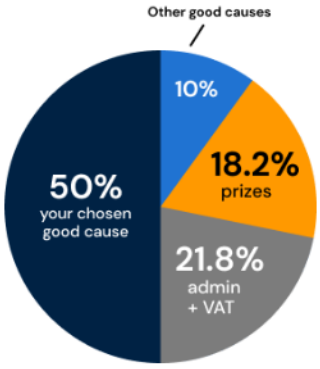
CAMBRIDGESHIRE COMMUNITY LOTTERY

As you know YOUR Bar Hill Community Association works tirelessly to support a really wide range of projects (such as the playground, the skatepark etc.) and activities and many of the various groups within our village. But we would like to be able to do so much more, which is only possible with YOUR help. Ideally we would like more volunteers to join us and help with our efforts.

But another way you can help, is by playing the Cambridgeshire Community Lottery. Tickets cost **just £1.00** per week, with the chance to win a massive **£25,000**. But the best news is that out of every £1.00 ticket you buy 50p goes directly to your chosen good cause (which we hope the BHCA would be your choice). We have already raised over 30% of our original target, but, just think what we could achieve if you were to join in with us. To play this lottery just visit **http://www.cambridgeshirecommunitylotteryco.uk/support/find-a-good-cause** and select Bar Hill Community Association as your chosen "good cause" when you purchase your ticket(s).



Every ticket you purchase has a 1 in 50 chance of winning (much better than any of the 'big' lotteries) and n addition to the regular draw the Lottery also runs "Super Draws" on a regular basis (with no need to buy additional tickets!) and you could win one of the many special prizes, such as the £1,000 IKEA Gift Card in the May Super Draw.

So come help us make your village even greater than it already is - If you want more information then please feel free to contact any of the BHCA Trustees or Volunteers and they can advise.

Air Ambulance Launches £8.2m Appeal

East Anglian Air Ambulance has launched an urgent £8.2 million appeal to build a new air base, having secured planning permission for a site outside Fulbourn.

The charity must relocate before its current home at Cambridge Airport closes in 2030. Without a Cambridge base, its service would be cut in half — leaving just one airbase in Norfolk and dramatically increasing response times to life-threatening emergencies across the region.

The Cambridge Air Base Appeal will fund a new facility at New Shardelowes Farm, ensuring the charity can continue delivering hospital-level critical care for decades to come.

Matthew Jones, CEO of East Anglian Air Ambulance, said: *"For nearly two decades we've worked in partnership with Marshall, the owners of Cambridge Airport, so our helicopter, critical care cars and specialist crews can reach people in their greatest time of need.*

"Now this vital part of our lifesaving service is under threat. We've secured planning permission for a new site in Fulbourn, but we must raise the funds to build it. This is our biggest and most ambitious challenge yet, and we urgently need the public's help."

The appeal is backed by local people whose lives - or those of their loved ones - were saved by the Cambridge crew, including:

- **Mia Cornelius**, Haverhill, whose son Clayton was saved after being born at 26 weeks in 2025
- **Jonathan Moran**, Peterborough, who suffered a brain haemorrhage in 2022
- **Deryck Thake**, Cambridge, whose 19-year-old son was treated after a road traffic collision in 2025

Matthew added: *"The vision for our new base isn't just about bricks and mortar. It's about making sure people in life-threatening emergencies continue to receive the very best care, fast.*

"We don't just transfer patients to hospital — we bring hospital-level treatment to them, giving the best possible chance of survival when every second counts. It takes a team to save a life, and we hope the public will help us. Whatever people can give will be greatly appreciated."

East Anglian Air Ambulance

How To Support the Appeal:

- Text **BASE10** or **BASE20** to **70480** to donate £10 or £20 (texts cost the donation amount plus one standard network rate; to donate without receiving further information, text **BASENOINFO**)
- Call the donation hotline on **03450 669 999** (Mon–Fri, 8.30am–5pm)
- Donate online at eaaa.org.uk/base
- Return a donation or direct debit pledge using appeal envelopes being delivered to households across the region
- Donations of £175 or more will be recognised by adding a supporter's chosen name to one of the charity's helicopters.

Supporters can also fundraise by hosting events or taking on challenges - from bake sales and charity balls, to marathons, skydives and other adventurous activities. Schools, businesses, sports clubs and community groups are also being encouraged to make East Anglian Air Ambulance their chosen charity and fundraise together in ways that work for them.

For more information or to donate, visit eaaa.org.uk/base.

The dust has now settled on what was a very busy election period. Thank you to everyone who took the time to speak to me, our candidates and our members on the doorstep over the campaign period. Our Liberal Democrat councillors will always listen to the concerns of the community and will continue to stand up for what matters most to you.

I am pleased that Bar Hill now has an excellent Liberal Democrat district councillor in William Scantlebury.

Children's Social Media Access

At the end of a parliamentary session, the Government must wrap up consideration of outstanding bills. Often this results in long 'ping pong' sessions between the Commons and Lords where disagreement on particularly contentious issues means amendments bounce back and forth and voting sessions extend long into the night.

One such bill, which I know has been of great interest to many residents, was the Children's Wellbeing and Schools Bill and its bearing on social media regulations – which was voted on a number of times.

In the end, it was a huge win for the Liberal Democrats that the Government was forced to commit to a timeline on restricting access to social media platforms for young people, to ban the harvesting of children's data, and enshrine protections against addictive design harms in law. We also forced the Government to recognise in law that not all social media platforms affect children in the same ways, and we continue to advocate for a nuanced, 'film-style' rating approach, ensuring that access to educational platforms is not restricted under new regulations.

The harms that social media poses to children are well known, and when I hosted a debate on online safety back in March, MPs from across the Commons shared distressing stories from their own constituencies. Without the Liberal Democrats' continuous pressure for decisive action, we would have been stuck with a lengthy Government consultation which could have resulted in no action being taken at all.

Thank you to all the parents, teachers and campaigners who have written to me about this. Your feedback and support have been instrumental in our efforts to make the Children's Wellbeing and Schools Bill stronger and more effective.

Surgeries and Further Information

Each week I have been holding both in-person and online surgeries to speak directly to constituents about their issues. If you feel you have a problem I could help with, or you have a campaign matter you would like to discuss with me, please don't hesitate to contact me.

FRIENDS OF THE ROSIE

The Friends of the Rosie are a group of 70-80 enthusiastic and willing volunteers whose aim is to improve the services provided by Addenbrooke's hospital by raising money to buy items that are not provided by the National Health Service.

Although the Friends believe in the importance of the best possible technical care, they also feel they should help make the Rosie a more comfortable, pleasant place for patients and visitors to remember with affection.

The Friends also have a loyal team of knitters and sewers ("Rosie in Stitches") who make children's clothes and toys for us to sell.

You can purchase online from our shop;

Bar Hill Primary School

JUNIOR PARISH COUNCIL

Firstly, working alongside the JTA, they made their voices heard and helped to improve safety outside the school by securing yellow road markings, enhancing visibility at the gates.

Secondly, members visited local businesses around the village, who kindly agreed to host charity collection tins in the lead-up to Christmas. Their aim was to bring the community together in support of a single cause and, thanks to their efforts, £47 was raised for the Red Cross.

Their third initiative – a monthly litter pick to help keep the village tidy – has been brought to life thanks to Julie, whose support and volunteering made this idea a reality.

Their final idea, a youth club for older primary- and early secondary-aged children, has not yet been launched. However, the group remain keen to pursue this and are now seeking support from local adults who may have the time to help make it happen.

I am sure you will agree that, for five 10- and 11-year-olds, they have done an incredible job turning their ideas into meaningful action. Special thanks go to Miss Frampton at the school, and the Parish Clerk, for their support.

UNIFORM SWAP SHOP

Don't forget our Uniform Swap Shop, located in the foyer outside the school office.

Items are being added daily, so please do take a look if you are searching for uniform. We currently have a good selection of summer dresses, white polo shirts and PE kit available.

The rail is open to everyone, and families are warmly encouraged to both donate items and take what they need. We hope all members of our school community will make use of it freely - it is here for everyone. We kindly ask that any donated items are clean and in good condition.

Thank you for supporting this simple yet meaningful step towards a more sustainable school.

Play Areas

A new safety surface has been laid under the basket swing in Victory Park. The Kilimanjaro has now been removed and a new item of play equipment has replaced it.

Graffiti in Play Areas

More graffiti has been found on the play equipment. Removal of the graffiti can be difficult and incurs a cost to residents.

Fly Tipping

Residents are reminded to deal with their waste properly. Hazardous waste that was dumped near the allotments has been removed at a considerable cost to residents.

Grass-Cutting

Grass cutting is continuing around the village. Please do not park on Parish Council land so the contractors can cut all the grass.

Parking Spaces on Viking Way

The new parking spaces on Viking Way, which is owned by the Parish Council, are intended for the use of Parish Council staff, contractors and visitors to the Council office. These users have priority during the working week but residents are welcome to use the spaces for short term use at other times including weekends.

Litter Picking

A big thank you to all those that take time to pick litter around the village and those who have joined the monthly litter picks.

If anyone would like a bag & litter picker to use when they have time, please contact the Clerk on **01954 780456** or **clerk@barhill-pc.gov.uk** to collect from the PC office.

Potholes

Please report potholes or any other highways or footpath issues on Cambridgeshire County Council's website: **https://highwaysreporting.cambridgeshire.gov.uk/en-gb**

Dog Fouling

Please make sure you clean up after your dogs, especially in the play areas and the village green, and have poo bags with you when out.

Cambridgeshire County Council

Introducing a New Councillor

William Scantlebury was successfully elected to be the District Councillor for Bar Hill in the district council elections held on 7 May 2026. He says:

"I am excited to have the opportunity to serve Bar Hill and look forward to working with residents and colleagues on the county and parish councils over the next few years. Please don't hesitate to get in touch if you have any questions or concerns to raise with me".

William can be contacted via email on **cllr.scantlebury@scambs.gov.uk**.

Issues Raised the Most by Residents

Over the last couple of months residents have been giving their views about things they want and which they want to improve around Bar Hill. The following were issues that came up again and again.

- More facilities for young people – many residents were deeply concerned about the lack of facilities for young people as well as employment in the area. Transport is a key issue for young people enabling them to get to work or education. Many residents rely on the bus services are well used but there were many improvements suggested which could help.
- Dog warden services – there used to be a dog warden in the district council but unfortunately funding cuts has meant this service is often not provided by councils. It is a loss, there is a gap in provision which would help owners manage their dogs better and those frightened by dogs would feel reassured.
- Path around the perimeter road connecting currently disconnected paths – residents asked for this to be progressed, it will need the Parish to make an application for a Local Highways Improvement grant from the county council. But it's a simple application and could happen quickly.
- Better tree management within the village – many residents were concerned about trees being cut down without warning.
- Solution to the problem of lorries parking up around the Tesla bend (or elsewhere in the village) – this could be made more difficult now given the planning applications being developed for transport hubs near Bar Hill. Will the double yellow lines proposed along the bend work or will the lorries just move elsewhere?
- Better brook management – long term management is critical to ensure the bank is well maintained and supports properties properly.

We will report in future issues on some of the work we are doing to address these challenges!
